## Customer Water Service Activation Waiver

Customer Name: \_\_\_\_\_  
Service Address: \_\_\_\_\_  
Account Number: \_\_\_\_\_  
Phone Number: \_\_\_\_\_  
Date of Requested Activation: \_\_\_\_\_

I, the undersigned, hereby request that Jefferson Public Water Authority activate water service at the above service address, even though I or a representative will not be present at the time of activation.

I acknowledge and understand that:

1. Turning on water service without someone present to check plumbing fixtures and appliances may result in leaks, water damage, or flooding.
2. It is my responsibility to ensure that all water outlets (e.g., faucets, hose bibs, toilets, etc.) are turned off prior to activation.
3. Jefferson Public Water Authority is not responsible or liable for any damage to property, belongings, or plumbing resulting from the activation of service in my absence.
4. I accept full responsibility for any costs, damages, or consequences that may result from turning the water on when no one is home.

By signing below, I agree to release and hold harmless Jefferson Public Water Authority,

its employees, agents, and contractors from any and all liability for damages or losses that may occur as a result of my request.
